Any monies that you owe to the company due to negative vacation balance, company loan, travel advance, tuition benefits, etc. will be deducted from your final check. If this applies, a member of the People & Culture team will reach out to you with details.

Please return any company property in your possession. This may include door keys, badges, headsets, computer equipment, hardware & software, mobile phones, etc. For home based employees, please package your equipment and request a return label if one has not been provided.

W2 - Payroll History Availability:

As a terminated employee, you will continue to have access to your pay and tax statements via Gusto. A W2 will be processed for you at year-end, and you should expect to be able to review it by February of next year.
